To

J. M. Mather Esquire

Collector of Bellary

Sir

With reference to your letter No
1960 dated 30th June 1877 I have the
honor to say that I was aware of
the Government Orders regarding
inhabitants of the Nizams Territory
on our works, but find them
impracticable in the present case
which

Delivered in person to Mr. Mather on 25th July 1877

which was the reason for reporting
the matter as I have done. The reasons
why the Government Orders cannot
be carried out were detailed in the
report and were as follows.

1st The Hyderabad people arrive
in such bad condition that if
excluded from the works they would
die in our territory. No able-bodied
people are taken in.

2 - I am unable to close the work

3 The Tungabhadra is in flood
and there is no crossing. The people
referred to have crossed sustained
on girdles of gourds. I have no means
of conveying these people across.

4 Those of them who were on
village relief were offered a whole
month's

month's supply if they would return
to their own country and refused to do so.

The people from Kurnool nearly
all from the Devankonda & Patikonda
Talugs continue to swarm upon our
works in greater numbers every day.
