*Proceedings of the Madras Government, Revenue Department,
31st January 1877.*

No. 954. Read the following letter from W. S. WHITESIDE, Esq., Collector of North Arcot, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Camp Vellore, 26th January 1877, No. 7:—

In Government Proceedings, No. 155, dated 26th August 1872, Revenue Department, of Ratnavelu Mudali, ~~Collector of the Department~~ Public Works, were placed at my disposal to superintend certain irrigation works then about to be undertaken in the Arnee Jaghire. The Jaghiredar has now informed me that he proposes to dispense with the Overseer's services from the 1st February next, as the irrigation works in question have all been completed, save one or two which can safely be left to the contractors. I accordingly gave notice of this to the District Engineer and requested him to permit Ratnavelu Mudali to return to his permanent office in the Department of Public Works on the above date. I have now the honor to forward herewith copies of Colonel Prendergast's letter, No. 3,225, dated the 25th instant, and its enclosure (Memorandum, No. 81, dated 13th instant, from the Chief Engineer).

2. Ratnavelu Mudali performed his duties in the Arnee Jaghire to my entire satisfaction. He is an intelligent, efficient, and honest official. Just now the services of some Overseers under my orders are urgently required for duty in connection with relief works now in progress throughout the district, such as inspection and measurement of work done, &c. I have therefore the honor to request that you will be good enough to obtain the sanction of Government for Ratnavelu Mudali being attached to this district as an extra Overseer in connection with Famine Relief Works, and upon which his services will be exceedingly useful.

3. Soliciting early and favorable orders.

No. 955. ORDER THEREON, 31st January 1877, No. 439.

Miscellaneous.

The employment of Ratnavelu Mudali in connection with Famine Relief Work as an Overseer is sanctioned.

Memo.

From the District Engineer Kothabest
No: 3090 dated 9 January 1877

The Chief Engineer does not see how the services of Putnavalos Kundelly can be utilized in the Kothabest District, seeing that its complement of Overseers is full & that Striniwasappa whom it is proposed to displace has only a temporary appointment. But there are many Districts in want of competent Overseers & Putnavalos Kundelly will have no difficulty in finding employment elsewhere.
