GOVERNMENT OF MADRAS.
PUBLIC DEPARTMENT.

1st August 1877, No. 1025.

Sanitary.

Read the following paper :—

No. 5. *From Dr. H. STANBROUGH, Special Health Officer, to the Chief Secretary to Government, dated Madras, 1st August 1877, No. 161.*

The Commissioner of Police in his letter, No. 458, dated 30th July 1877, informs me that "Mofussil paupers can now only be admitted into the Relief-camps at Monegar Choultry and Tondiarpett, and even then only on medical certificate from Dr. Thompson," and then continues, "the two abovenamed camps are crowded to a dangerous extent, and more persons cannot be received into them."

2. I have the honor of requesting that you will inform me what I am to do with the destitute villagers picked up by the Health Inspectors. I think all *immediate* necessary wants should be given at all camps, whether feeding or others, when sent in by Health Inspectors.

No. 6. *ORDER THEREON, 1st August 1877, No. 1025.*

The Monegar Choultry Camp is as low as 3,100, and in gradual course of depletion.

2. Destitute people picked up by Health Inspectors must be taken in—all measures for the relief of the camp being pressed forward by every means possible.
