INDIA OFFICE, LONDON.

No. 48.

5th July 1877.

MY LORD DUKE,—With reference to the letters noted in the margin, I have to inform you that I have sanctioned the supply of the Stores and Books requested in the Indents forwarded therewith.

Madras Educational Secretary's letter, No. 9, of 13th January 1877.

Madras Revenue letter, No. 17, dated 27th February 1877.

2. With regard to paragraph 3 of your Revenue letter, dated 27th February, No. 17, respecting the careless packing of certain Stores supplied to the Revenue Survey Department on indents, dated 20th January 1874, 22nd March 1875, and 27th January 1876, I have to point out that it is not shown in the correspondence in which indent or indents respectively the several breakages occurred, and as different Contractors have been employed from year to year, it is impossible to identify the particular Firms responsible for the loss.

3. Considering the aggregate of the supplies made, on the three indents, and the fragile nature of the articles, it would seem that the loss sustained is inconsiderable.

I have, &c.,
