*Proceedings of the Madras Government, Revenue Department,
6th January 1877.*

No 79. Read the following Proceedings of the Board of Revenue, dated 3rd January 1877, Miscellaneous No 21 —

Read the following letter from H KING, Esq., Acting Sanitary Commissioner for Madras, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Madras, 28th November 1876, No 1,300.

With reference to the Board's Proceedings, dated 7th instant, I have the honor to enclose the Sanitary Report of the Coimbatore Municipality for 1874, as a good specimen of such papers. The information on hospitals and dispensaries concerning the Medical rather than the Sanitary Department might have been omitted.

2. It would be desirable that annual Sanitary Reports of Municipalities and of Circles (if sanctioned) should be prepared on a uniform plan, and I shall be glad to suggest heads under which the required information should be arranged.

The Board do not think that it would be possible to prescribe sanitary reports for Local Fund Circles so elaborate as that furnished by the President of the Coimbatore Municipality, and if details of expenditure are required, the report must be made up for the official and not the calendar year. The Board request the Sanitary Commissioner to furnish them with a statement of the heads under which the information should be arranged as suggested by him.
