By S. C. Banerjee
 District Officer of the Province of Bengal

1893-94. (Blue copy)

Submitted for the information of the Board of Revenue the 12th July 1893, it is proposed, having not yet received the instructions relating to the different methods of classification.

2. Orders to forward these statements with a covering and explanatory report, have been sent to the District Officer.

3. I am very much inclined to think, from what I have heard of the District Officer, that the District Officer of a Province in good condition is considerably lower than in the case of a Province in bad condition. In the latter case there is a better state than there is in the case of a Province in good condition.
