No. 29. ORDER THEREON, 6th August 1877, No. 224 I.

Communicated to the officers concerned.

Instructions have been already issued to the Superintending Engineer, Kistna, to
G.O., No. 197 I, dated 31st July 1877. arrange for the employment of famine
labor on the works provided for in the
delta completion estimates, with directions to reserve a large part of the work for
Kurnool coolies.

2. Mr. Randall's attention will be drawn to the importance of obtaining a
settlement, as early as possible, of the work to be done to the Palar ancient channels,
so that such work, so far as suited to the employment of the distressed population,
may be undertaken for its relief.

3. The Naranaveram embankments have been nearly completed. Separate
orders will be passed on the estimates for the Cortiliar embankments, which are now
under the consideration of Government.

4. The Palar embankments near Vellore are in progress, and on the proper
manner of completing them the District

5. The District Engineers, Salem and Trichinopoly, will report what embank-
ment repairs are in progress or are proposed to be undertaken. In Coimbatore also
it is understood that some useful embankment work on the Cauvery is or will shortly
be available.

6. Separate orders will be issued regarding the non-agricultural works referred
to in the Proceedings, Madras Government, Revenue Department, above recorded.
