GOVERNMENT OF MADRAS. FINANCIAL DEPARTMENT.

5th January 1877, No. 38.

Local Funds—Medical.

Read the following papers:—

No. 38. *Proceedings of the Board of Revenue, dated 28th December 1876.*

Read the following letter from J. R. DANIEL, Esq., Acting President of the Local Fund Boards, Cuddapah District, to the Acting Secretary to the Board of Revenue, dated 21st December 1876, No. 852:—

I have the honor to submit copy of Madanapally Circle Vice-President's docket, No. 344, of the 15th instant, with its enclosures, asking for a grant from Relief Funds to cover the extra expenses for dieting sick in the Madanapally Dispensary on account of the present distress.

2. Properly speaking it is a legitimate charge upon the Local Funds, but as there are no funds, I request that the Revenue Board will sanction from Relief Funds the extra expenses, amounting to 25 per cent., sanctioned by the Local Fund Board.

3. Copy of the Circle Board's resolution is herewith submitted.

ENCLOSURE No. 1.

From J. D. B. GRIBBLE, Esq., Vice-President of the Local Fund Board, Madanapally Circle, to the President of the Local Fund Boards, Cuddapah District, dated 15th December 1876, No. 344.

In forwarding a copy of Madanapally Medical Officer's letter, No. 94, dated 14th instant, the undersigned requests that he may be allowed to make a grant from the Relief Funds to cover the extra expenses for dieting sick in the Madanapally Dispensary. The increased expenditure is solely due to the present distress. Diet is dearer, and patients are greatly in excess of ordinary years.

ENCLOSURE No. 2.

From Apothecary T. WARD, in charge of the Civil Hospital and Dispensary, Madanapally, to the Vice-President of the Local Fund Board, Madanapally Circle, dated 14th December 1876, No. 94.

I have the honor to bring to your notice that the estimated amount for diets, &c., has been exceeded, owing to the enhanced rates paid to the Contractor for dieting patients, and as this increased expenditure will continue for some time, I beg that an allotment may be made to meet the excess charge. The percentage on diets to be paid to the Contractor is Rupees 35-8-9, and will be made more for the current month.

ENCLOSURE No. 3.

PROCEEDINGS of the Local Fund Board, Madanapally Circle, dated 25th October 1876.

10. Read letter, No. 115, of the 16th October 1876, from the Medical Officer at Kadiry informing that the Contractor for the Hospital refuses to diet patients at the rates hitherto specified as the prices of grain, &c., are very dear, and requesting whether to continue the contract at the enhanced rates of 3 Annas and 3 Pies per man per day, &c.

Bills can be submitted at the old rates, but 25 per cent. added to their totals during the continuation of present high prices. This arrangement has also been made in the Madanapally Dispensary.

(Signed) M. RAMASAWMY, Deputy Collector,
for Acting President.

The usefulness of the institution should not be impaired for want of funds at such a time, but the accommodation afforded by it should be made fully available and none turned away. The Collector is authorized to incur such charges as are necessary debiting them in the first instance to Local Funds. At the close of the year the amount expended should be reported, and the Board will be prepared to recommend Government to grant the excess above ordinary charges from Relief Funds. Care should be taken to prevent the hospital from becoming an alms house. Persons suffering from hunger merely should be sent to the Relief-house which the Board believe has been established in the town.

Acting Secretary.
