Proceedings of the Board of Revenue.

Dated 8th August

No. 171 B Read the follow

From W. Logan Esq^{re}
Collector of Malabar

To C. A. Galton Esq^{re}
Secy. Secretary to the Board of Rev.

Sir, Madras

Referring to the Board's Proceedings
No. 3002 dated 26th June 1877 regarding
Survey operations in Wynad I have the
honour to observe with reference to the con-
cluding part of para 2 that I intended
very shortly to propose that the Survey
of the low country Taluqs of Malabar
be undertaken. My reasons for proposing
this will be submitted in due course.
It seems to me that the Local Fund
revenue will never be on a satisfactory
footing until this is done & the course
proposed is also necessitated by the

the impossibility of ascertaining at present
what lands are entered in each puttah.
We have no Land Register & the consequence
is that holdings are mixed up in the
hopelessly confused way.

Malabar Collectors office } I have &c
in Circuit } (S^d W. Logan
Palghat 18 July 1877.) } Collector.

The Board await the Sub-
mission of the detailed proposals re-
ferred to.
