Sir

I have the honor to report that there were one or two smart showers of rain in the Town of Trivellore on the 5th and 6th Instant, the quantity registered being 1a 2½ 0z respectively. I was at Peria palieam on the 5th (Sunday) and it rained very heavy both there and the surrounding villages. It extended on the west as far as Palavakam, and on the South as far as Damapakam anicut. The fall between Odapke and Trivellore yesterday was equally good and such of the Cumbu

crops which are not far gone were looking up.

I have &c
