No 83 Read the following Proceedings of the Board of Revenue, dated 28th December 1876 —

Read the following letter from W. S FOSTER, Esq, Acting Collector of Kurnool, to H E STOKES, Acting Secretary to the Board of Revenue, dated 22nd December 1876, No 673

I HAVE the honor to submit a list of works proposed by Mr Gibson in consultation with the Deputy Collector to be executed as relief-works in the Koilkuntla Taluq. A rough estimate of the approximate cost of each work proposed is set opposite to each. The estimates have been framed with reference to the quantity of work which may fairly be expected to be turned out by famine coolies, which has been fixed at about one-third of the usual rate

8. Do Koilkuntla to Banaganapalli, 8 miles	40,000

Nos 3, 7, and 8 are estimated at Rupees 5,000 a mile

* Should be Pasapala to Owl (over the Hill).

(Signed) N GOPALAKRISHNAMAH,
Deputy Collector, for Acting Collector

The estimate received with the foregoing letter must be returned for revision. The roads are estimated to cost from Rupees 5,000 to Rupees 8,500 a mile, which the Collector explains by stating that coolies employed on famine works can only do one third of the work executed by ordinary laborers. This position the Board are unable to accept. Under proper organisation, which is conspicuous by its absence in most parts of the Kurnool District, there is no reason why the outturn of work paid for from relief funds should not approximate to that ordinarily rendered.
