No. 106. *Proceedings of the Board of Revenue, dated 27th July 1877, No. 3525.*

Read the following letter from W. S. WHITESIDE, Esq., Collector of North Arcot, to the Acting Secretary to the Board of Revenue, dated Palmanair, 12th July 1877, No. 453:—

The Civil Surgeon of Vellore having, in his letter of the 6th instant, No. 67, brought to my notice that owing to the number of "privation" cases of sickness at present under treatment in the Civil Dispensary at Vellore, additional servants are required as specified in the margin. I have sanctioned the entertainment and payment from Famine Relief Funds pending the Board's approval.

2. Dr. Price has also represented that fifty men's and fifty women's cloths and fifty cumblies are required as the hospital clothing is barely sufficient for ordinary cases. I have sanctioned the purchase of these articles from Relief Funds, but have asked the Civil Surgeon to send me an estimate of their cost at once. I trust the Board will approve of my action in the matter.

The sanction of Government is requested for the entertainment of the additional servants required for the Civil Dispensary at Vellore and for the purchase of the cloths and cumblies.

2. Under G.O., dated 23rd June 1877, No. 2089, the charge should apparently be debited to Medical Services, Provincial.
