PROCEEDINGS OF THE BOARD OF REVENUE, dated 4th April 1877.

Read the following letter from C. G. MASTER, Esq., ~~Revenue~~ ^{Secretary} to the Board of Revenue, dated Mohana, 28th February 1877, No. 825:—

With reference to the Court's Proceedings, dated 14th December 1876, No. 3,174, and the Government Order thereon, dated 27th December 1876, No. 2,188, communicated with Court's Miscellaneous Proceedings, dated 11th January 1877, No. 287, sanctioning the assumption of the management of the Chinna Kinedy estate on behalf of the Court of Wards, I have the honor to report that I have appointed (subject to the Court's sanction) Vellajossula Lakshminarasu Puntulu as Manager of the estate.

2. This individual possesses five years' revenue experience in the estate of the Parla Kinedy, now under Court of Wards, where he was Revenue Inspector from 1866 to 1861, after which he took service in the Police where he has been gradually promoted to the grade of 3rd-class Inspector on Rupees 100, and has lately been acting in the 2nd-class on Rupees 130.

3. He was once recommended by my predecessor for the post of Deputy Tahsildar of Surada, in which he continued for about three months; but the Government disapproved his appointment for reasons given in G.O., dated 2nd June 1876, No. 736, Revenue Department, communicated with the Board's Proceedings, dated 20th idem, Miscellaneous No. 5,127.

4. At that time Lakshminarasu Puntulu was a 4th-class Police Inspector on Rupees 75. Owing to his excellent services in that department, especially in the well known Chikati murder case, and subsequently in the Bellugunta abortion case, he has obtained his promotion—*vide* accompanying extract from Proceedings of the Inspector-General of Police.

5. With regard to the nomination of a guardian, the Court in paragraph 3 of their Proceedings No. 3,174 above alluded to called for further explanation as to my reasons for recommending a separate guardian, and in their Miscellaneous Proceedings No. 287 observed that the combination of the office of guardian and tutor is merely a temporary arrangement. The Minor is at present too young to allow of his being placed under Mr. Taylor at Kinedy, and for another year or two should, I think, remain ~~in the charge of his father~~ ^{under suitable means of education} should be provided for him. My reasons for thinking that a separate guardian should be appointed as suggested in paragraph 12 of my letter recorded in the Court's Proceedings are, that the Minor's natural father cannot conveniently be held responsible for the due discharge of the duties required from a guardian as prescribed in Sections 21, 22, and 23, Regulation V of 1804, and that should it be necessary to remove the Minor to any other locality, his natural father could not accompany him.

6. I would therefore propose to select a respectable man able to teach methodically and look after the interests and good behaviour of the Minor as a temporary

arrangement. As soon as I have the Court's sanction for this arrangement, I will endeavour to find a suitable person.

7. I have appointed the marginally-noted persons to the appointments set opposite to their names subject to the approval of the Court. The first two have been selected from my office establishment and were transferred from Government service to the estate. They and the three others are now acting as vices in the estate may be counted towards pension, for which purpose a pensionary contribution will have to be paid by them under Section 34 of the Pension Code. This will amount altogether to Rupees 36-4-0 per mensem as noted in the margin. I request the Court's permission to pay this contribution from the funds of the estate as has been allowed in Purla Kinnedy * and Jalandra.†

to be allowed to put in one man on Rupees 45 to perform this duty for the two adjoining estates of Chinna Kinnedy and Serugada. The present Maistry in the latter estate gets Rupees 10 which is not enough to secure a very competent person. By combining the two salaries of Rupees 35 and Rupees 10, I should be more likely to obtain an efficient Sub-Overseer who could divide his time between the two estates. If this is sanctioned, I will advertize for a man.

9. I am not as yet in a position to submit a full report on the condition and requirements of the estate as directed in paragraph 5 of the Court's Proceedings, No. 3,174, the accounts due from the Manager with the necessary particulars not having yet been furnished.

Enclosures Nos. 1 to 3.—Extracts from Proceedings of Inspector General of Police.

The appointment of Mr. Lakshminarasu Pantulu as Manager of the estate is approved, as also is Mr. Master's suggestion that a separate guardian be appointed; he will submit the name of a person suited to fill the joint offices of tutor and guardian.

2. The entertainment of an establishment according to the list submitted with the Collector's letter of the 9th November 1876, No. 3,778, is sanctioned, and payment of pensionary contribution from estate funds in the cases of the Manager and the three individuals specified in the margin of paragraph 7 is also authorized. The amount

will be Rupees 61-4-0, including the Manager's contribution. The formal sanction of Government to the transfers proposed does not appear to be necessary according to the revised edition of the Pension Code.

3. The arrangement proposed in paragraph 8 is approved.

4. The Court await the further report promised in paragraph 9.
