Salem, 25th July 1877

From

The Collector of Salem

To

The Secretary to the

Board of Revenue

Sir,

Madras.

Referring to Board's Proceedings
No. 3372 dated 19th Instant, I have the
honour to state that the allowance
of Rs 1.8.0 per month sanctioned
for indigent Gooka women is not
sufficient to sustain them. In this
District, such women are relieved
at the same rate as other recipients
of gratuitous relief viz. at Rs. 3 per
mensem and this concession was
authorized by the Board in their
Proceedings.

Proceedings No 2392 dated 25th
May last. With the present prices
of grains which are quoted in the
margin even this allowance of
1 anna 3 pice or 1 anna 4 pice as
sanctioned for village Relief by
a recent Telegram from Govern-
ment dated 20th Instant is hardly
sufficient, as it would purchase
 $\frac{1}{8}$ of a lb of rice and a little above
1 lb of the dry grain. Under these
circumstances, I consider it necessary
that the allowance should be raised
to keep up with rising prices.
The children of Gocha women are
dealt with like other children in
the villages and the same rate of
dole

Amount of dole for the year 1907-08
approx. 1000

Dole is paid there.

of Revenue, Madras

Sir

With reference to Board's
Proceedings dated 19th July 1877 No. 3372,
I have the honor to inform you that
since prices have risen, I have come
to the conclusion that 1/2 Rupees a
month is not a sufficient allowance
for Gosha women, and I have dealt
with such cases under Government
Order No. 1836, dated 28th May 1877
(the money order) and raised the
pitt

allowance to amount 100 per annum in the
case of adults.

2. Lack of opinion that this
is necessary. The subjects of relief
are selected very carefully.

House.
