I am second secondly to inform that each one act in succession, both judicially & executively, even by the present medium, otherwise proceeding. The reason alleged, that the people in consequence not be reduced into the society of her pecuniary circumstance.

Bellary 17th July 1878

The Collector of
Bellary

Sir

I regret to have to bring to your notice that the destitute village woman (accompanied by two Children) whom I send herewith complains that she has had her hair cut off in a Tope near the Telegraph office here, by some people in presence of two gentlemen whom she did not know. From the description she gives it appears to me that the alleged offenders are some of Major Thomas, the two Inspecting Officers Endorsements.

Of course I don't know as to the truth of her statements, but such a complaint justifies a thorough enquiry into her case, and this I must leave will be good enough to institute. As any person especially an officer of Government who would mutilate a woman by cutting off her hair should not escape severe punishment

I have the honor to be
Sir
Your most obedient Servant

HARVEY & SABATINY

Ballarat 21st Feby 1877

To
The Honble
Collector of
Ballarat

Sir

In continuation of my respects of 17th instant I have the honor to state that the native Policeman was a witness of the act of forcibly detaining a poor village woman of Bair in the Slope near the Telegraph Office. He alleges that a tall Burkandaz named Syed Fuddee, one of Major Thomas's Subordinates cut off a portion of her hair in the presence of Major Thomas, with a knife handed to him by the gentleman the fourteen States that As Jesse Shortly came along, were for a Step to the Constable proceeding.

I beseech the favour to you as his excellency will no doubt be readier in bringing the perpetrators to justice - The is a timid worthy native, and has been in the employment of Messrs Harvey & Sabatiny for more than four years.

I have the honor to be
Sir
Your most obedient Servant
