PUBLIC WORK DEPARTMENT.

Brig. Gen.

Read the following papers:—

No. 49. Proceedings of the Madras Government in the Revenue Department, dated 3rd July 1877, No. 2,198.

ABSTRACT.—Mr. Dunphy's assertion that there are no boats at the point where the road from Yerraguntla to Proddatur crosses the Pennair.—Communicating to the Public Works Department Proceedings, Board of Revenue, submitting letter from the Collector of Cuddapah refuting —.

No. 49-A. From Colonel J. MULLIN, R.E., Chief Engineer for Irrigation, to J. H. LATHAM, Esq., Chief Engineer and Manager, Madras Irrigation and Canal Company, dated 24th July 1877, No. 89 I. C. C.

With reference to Mr. J. O. Dunphy's remark, in paragraph 9 of the monthly Proceedings, Madras Government, No. 49 I, report for April 1877, on the absence of dated 30th May 1877, ferry boats on the Pennair, I have the honor to request information as to the line of traffic and the crossing to which Mr. Dunphy referred.

No. 49-B. From J. H. LATHAM, Esq., Chief Engineer and Manager of the Madras Irrigation and Canal Company, to the Chief Engineer for Irrigation, dated Camp, Dhoor, 2nd August 1877, No. 88.

In reply to your letter No. 89 I. C. C. of 24th ultimo, I have the honor to say that, in paragraph 9 of his monthly report for April last, Mr. Dunphy referred to the road from Cuddapah northwards crossing the Pennair at Chennur, to which crossing he referred.

2. He believes that there is no ferry boat there, and that the rice that passes Dhoor going northward from the railway nearly all comes across the Pennair at Chennur, and but little from Yerraguntla.

No. 50. ORDER THEREON, 15th August 1877, No. 236 L.

COMMUNICATED to the Revenue Department in order that the attention of the Collector of Cuddapah may be drawn to the fact that the ferry referred to is that at Chennur and not the one at the crossing of the Yerraguntla and Proddatur road.
