No. 64-A. Proceedings of the Madras Government in the Revenue Department, dated 15th June 1877, No. 3,353.

Read the following official memorandum from the Board of Revenue, dated 9th June 1877, No. 947, on G.O., Revenue Department, dated 12th May 1877, No. 2,713.

In compliance with the requisition contained in the foregoing order, the undersigned has the honor to furnish herewith an extract from the detailed Jungle Conservancy Fund Budgets of the Kistna, Nellore, and Trichinopoly Districts, showing an aggregate allotment of Rupees 5,900 proposed to be expended by the Public Works Department in 1877-78. This amount is made up of Rupees 5,280, the particulars of which have been called for in the above Government Order, and Rupees 620, the allotments for the Nellore District which was not shown in the Abstract Special Fund Budget estimate, and which is specially noticed in the margin of paragraph 7 of the Board's Proceedings, dated 25th April 1877, No. 1,911, receiving the detailed Jungle Conservancy Fund Budgets.

No. 65. ORDER THEREON, 7th July 1877, No. 360 W.

The Budget Estimate of the expenditure to be incurred by the Public Works Department during 1877-78 from the Jungle Conservancy Fund has been communicated with the Proceedings above recorded.

2. It is observed that provision has been made in the Budget for works to the extent of Rupees 5,900, and for Public Works supervision at 25 per cent. on the provision for works, viz., Rupees 1,475. The total that has thus been placed to the credit of the Public Works Department is Rupees 7,375.

3. As it appears advisable to prepare in future one Budget estimate to include all the special funds from which expenditure is to be incurred yearly by the Public Works Department, arrangements should be made to insure the whole of the Budget estimates of each of the special funds noted in the margin being sent to the Public Works Secretariat by the end of December in each year.
