Proceedings of the Board of Revenue

Dated 6<sup>th</sup> August 1877

Read the following

N<sup>o</sup> 4742

From

Surgeon General George Smith M.D.  
Indian Medical Department.

To

C. A. Galton Esquire  
Secy. Secretary to the Board of Revenue

Sir,

With reference to Proceedings of the  
Board of Revenue N<sup>o</sup> 19467 (Miscellaneous)  
dated 25<sup>th</sup> July 1877, I have the honor to  
express my regret that I am unable  
to meet the urgent requisition for  
Medical Subordinate help made  
by the Acting <sup>collector</sup> of South Arcot a  
very small sum to meet grave  
contingencies

contingencies being all that is at present  
at my disposal.

2. I may be permitted to suggest  
the expediency of utilizing the Medical  
Subordinates attached to the Dispensaries  
of Local Fund Boards and of Municipi-  
palities by placing the proposed  
relief camps, as far as practicable,  
in the immediate neighbourhood  
of such Dispensaries, and by  
further seeing how far the services  
of the Medical Subordinates attached  
to the Collector and Sub-Collector can be  
utilized, in whole<sup>or</sup> in part, for it is  
within my experience that no little  
medical power is occasionally lost  
in this direction.

I have &c  
Office of Surgeon General I.M.D.  
Fort St. George, 30<sup>th</sup> July 1877  
Surgeon General I.M.D.  
Colomb

Communicated to the Collector  
of South Arcot, whose attention is  
called to the remarks in para 2.

2. From the Collector's letter  
dated 27<sup>th</sup> July No. 85 it would appear  
that the camps have been located  
so as to utilize the Medical staff  
available but it does not appear  
why an additional Medical officer  
is required for Trichalore where there  
is a Local Fund Dispensary.
