No. 44A. Proceedings of the Board of Revenue, dated 22nd January 1877.

Read the following letter from W. S. WHITESIDE, Esq., Collector of North Arcot, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Chittoor, 8th January 1877, No. 10.

I HAVE the honor, with reference to the Proceedings of Government, No. 2,150, dated 23rd December 1876, communicated to me with Board's Proceedings, dated 29th idem, without number, to draw the attention of the Board to the fact that the district has been omitted (possibly by oversight) from the list of those in which Tahsildars have been empowered to grant small advances to ryots under the Land Improvement Act for the excavation of wells on their holdings.

2. This district, I beg to state, is now, as regards complete failure of water, in every whit as evil a condition as those to which this great boon has been extended. There is now not a drop of water in any tank throughout the district; the water in the wells and spring channels is fast drying up; in many places the water has already sunk to from 35 to 40 feet from the surface of the ground, and the ryots are at their wit's end to provide water for their own use or to keep their cattle alive.

3. This is a matter to which I have for months back been directing my anxious attention, and I should gladly see the concession that has been so liberally granted to other districts in the same state also extended to this.

Soliciting the early orders of Government, I have, &c.

SUBMITTED for the favorable consideration of Government.

Acting Secretary.

No. 44-B. Proceedings of the Board of Revenue, dated 11th January 1877, No. 196.

Read the following letter from A. J. STUART, Esq., Acting Collector of Tinnevely, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 13th January 1877, No. 19.

WITH reference to the Board's Proceedings, dated 29th December 1876, I have the honor to request that Government Order, No. 2,150, dated 23rd December 1876, and its provisions authorizing Tahsildars to receive and dispose of applications for advances up to Rupees 200 under the Land Improvement Act may be extended to this district also.

2. In my recent tour I made inquiries, and came to the conclusion that many will be glad to avail themselves of the opportunity offered by the above Government Order, and there can be no doubt of the benefits to the district by increasing the number of wells.

*Proceedings of the Madras Government, Revenue Department,
1st February 1876.*

No allotment was sanctioned under the Land Improvement Act for this district 1876-77. I have entered Rupees 3,000 for 1877-78 in the Revenue Budget, which is not yet sanctioned.

4. I therefore request that an allotment of Rupees 10,000 may be sanctioned for immediate utilization.

SUBMITTED for the favorable consideration of Government.
