Proceedings of the Board of Revenue

Dated 22nd August 1877.

Read Copy of Fortnightly narrative ending 8th August 1877 received from the Collector of Vizagapatam dated 8th August 1877.

The Board request that the Collector will report further with reference to the statement in his narrative for the fortnight ending 8th August that the dry crops in parts of 5 talugs are withering for want of rain. Recent telegrams have led the Board to believe that the rainfall has been general throughout the District & in his general remarks the Collector states that it has been distributed over 10 talugs & that Golconda is the only one in need

the reports of native Subordinates on this point must be accepted with Caution.
