Proceedings of the Board of Revenue

Dated 27th April 1877

Read statements of cultivation and collection from the Collector of Coimbatore for December 1876, January 1877, and February 1877, dated 18th April 1877

Submitted to Government with reference to G.O. dated 29th November 1876 No. 1855.

2. The Collector now forwards at the same time the Statements due for three months, December 1876 and January and February

and the Board consider it
sufficient to review the last one only.

3. In the area of cultivation there
is a small increase in the
taluks of Coimbatore and Collegal
Compared with the average of
the previous three years. There is
a decrease in every other taluk,
ranging from 3 per cent in
Karur to 18 per cent in
Erode. In collections there is
an increase in Coimbatore,
Collegal, Pollachi, and
Bhowany, and a decrease
in other taluks ranging
from 8 per cent in Erode
to 38 per cent in Dharapuram.
The Board do not consider sufficient

reason for the collections being
5085
6
so backward in Karur where,
it is observed, they have been
gradually declining and exhibit
a decrease of 35 per cent up
to February.

The Board trust that
the Collector will take steps to
ensure the punctual transmission of these returns in future.
