Railway.

Read the following paper:—

No. 145. Endorsement of the Consulting Engineer for Railways, dated Madras, 16th August 1877, No. 410.

Proceedings of the Board of Revenue, dated 16th July 1877, Miscellaneous No. 10,060.

From J. H. MASTER, Esq., Collector of Bellary, to H. E. STOKES, Esq., Secretary to the Board of Revenue, dated Bellary, 28th June 1877, No. 516.

In the year 1869 Messrs. Dymes and Company purchased from the Government a good-sized piece of land adjoining the Railway station at Bellary.

Vide G.O., No. 2,419, dated 25th August 1869, and Board's Proceedings, 12th May 1870, No. 3,216.

2. Mr. A. Harvey who has received a power of attorney from the proprietors, says that he is anxious to sell it, and requests to be informed whether Government wish to re-purchase it. I beg to enclose a copy of his letter, and beg that Government may be asked to refer the question to the Consulting Engineer for Railways or to the proper officer for report.

From A. HARVEY, Esq., to J. H. MASTER, Esq., Collector and Magistrate, Bellary, dated Bellary, 18th June 1877.

I have the honor to enclose for perusal power of attorney granted by the owners of the land opposite the Bellary grave-yard empowering me to sell it. You will recollect that this land was granted after some difference of opinions as to the propriety of granting it between the Board of Revenue and the then Collector.

2. As I will receive the title-deeds in a day or two and am instructed to sell it I thought it right to give Government the first offer and write now, as I understand a member of the Board of Revenue is in Bellary with whom you could personally consult if necessary. The position of the land is such that the erection on it of any other building than a house would tend to detract from the appearance of the station.

Submitted for the orders of Government.
