No. 93 5123/1

From The Asst. Collector
Nellimopoly

To The Additional Secretary
to Government. R. D.
Madras

Sir,

With reference to your telegram, dated 13th instant, I have the honor to state that the Tahsildar of Perambalur is to blame for the blunders, as he appears to have put down in his return the price at which inferior cholum sold in some one or two villages away from the Knobah instead of the price at which it sold at the Knobah station. Even according to this, I do not believe the figures were correct, as it is impossible that there would have been

been such great variety of
price of the same grain in
neighbouring stations - I have
warned him strictly to be
more careful in future.

I have the honor to be
