Dy Collector

To. R. W. Barlow Esquire
Collector, Chingleput Dist.

Sir

The late Executive Engineer
of the Mount Range kindly
placed at my disposal for
employment on Relief works
the services of Retting Local
Fund overseer Amanapathy

Mudali, about the middle of December last. He was very useful to me on the Broombiluguru Pallicaranei and Lydapet Bookings Roads, but as these Roads were being completed, and work commenced at the beginning of this official year on the Local Fund Roads, he was recalled for Local Fund work, but yet made available to me occasionally. As there are no Local Funds now available, and we are about to start Tank work for Famine Relief,

I

I have the honor to request that you will be good enough to ask the Superintending Engineer kindly to place this man's services again at my disposal. This I shall feel a great help.
