GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

27th August 1877, No. 455.

Pension.

Read the following paper:—

Proceedings of the Board of Revenue, dated 7th August 1877, *No.* 3673.

Read the following letter from G. MACKENZIE, Esq., Acting Head Assistant Collector of Coimbatore, to the Collector of Coimbatore, dated 1st August 1877, A:—

There are two men employed in the supervision of Famine Relief in the Palladam Taluq, who receive pensions from Government. As these pensions may perhaps be withheld by the Account Department because of their employment, I have the honor to suggest a reference to Government on the subject. These men probably would not have accepted employment on Famine Relief had they thought that there was any chance of their pensions being held in abeyance.

2. Gunner Cole is a Chelsea Hospital pensioner. Every half-year these pensioners make a declaration that they are not in receipt of any pay from the public (Mofussil Police and Jail employment are, I believe, exempted).

3. Mr. Martin has retired from the Civil Court. Under Section 100 of the Code he cannot be re-employed except with the express sanction of the Government of India.

4. But under Note 4 to Section 101, "a pensioner of any class may, under the orders of the Local Government, be employed without loss of pension, on duty which is *bonâ fide* temporary, lasting for not more than a year."

5. I have therefore the honor to suggest a reference to Government for permission with retrospective effect to employ these pensioners.

No. 292.

Forwarded to Government through the Board of Revenue with recommendation that these persons be employed on Famine Relief duty without loss of pensions.
