GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

28th August 1877, No. 261 I.

Irrigation.

Read the following paper :—

No. 97. From Captain R. F. MORRIS, R.E., Executive Engineer in charge of Trichinopoly District, to the Secretary to Government, Public Works Department, dated Trichinopoly, 20th August 1877, No. 362.

With reference to paragraph 5 of G.O., No. 224 I, dated 6th August 1877, I have the honor to report that repairs to the river embankment marginally noted are in progress in the district, and the estimate below specified is proposed to be undertaken afterwards; it has been sent for the sanction of the Revenue Board.

Repairing Coleroon right bank from Trunk road to North gate of Streerungam estimate Rupees 6,800.
Strengthening the North Coleroon bank from Aramanakarichi to Vuppur estimate Rupees 15,550.

A number of estimates for repair of tank bunds and channel clearances have been passed by the Collector to be executed under famine relief in succession as required.

Repairing the Coleroon right bank from Streerungam north gate to westward—estimate Rupees 6,700.

No. 98. ORDER THEREON, 28th August 1877, No. 261 I.

THE District Engineer will take care that estimates are in readiness for all needful repairs of the embankments of the Coleroon, Cauvery, and Vennaur in the Trichinopoly District, and in referring to such estimates the mileage should be stated. The present opportunity, so far as employment for famine relief labor may be required, should be fully used to provide all river embankments with a safe and regular margin above maximum flood level, attention being at the same time given to the correction of radically defective alignments.
