No. 502

From W. S. Whitesides Esquire

Collector of N. Arcot

To

C. A. Galton Esquire

Ag Secretary to the

Board of Revenue

Madras

Sir

I do retransmitting the Estimate of Rs3000 for raising & strengthening the Cuddapah Channel bund at Vellore, returned with the Board's Proceedings No. 3299 dated 14th Ultimo, I have the honor to state that the addition of Rupees 1500 to a like amount

at

at the ordinary D.P.W. rates as entered in the estimate, is correct. It will be seen from the red ink entry now made in the estimate that the above sum was provided to meet the extra cost, consequent on the performance by Relief coolies of 50 percent of a full task, or in other words, the ordinary D.P.W. rates ~~have been doubled~~. The District Engineer has also furnished a similar explanation in his letter dated 6. Instant, No 1506, to my address.

2 With regard to para 2 of the Board's Proceedings, I beg to state that the channel work was put in hand prior to receipt of the Proceedings and

and in anticipation of sanction, in order to provide labour for a large number of coolies who were then in want of employment. The work has since been thoroughly completed.

3 Requesting early sanction to the Estimate in question.

North Arcot Collectorate Office Camp Palmanair 14. August 1877

I have &c
W.S. Whiteside
Collector

The estimate is sanctioned

2 The alteration in the wording of the estimate now made makes the extra provision on account of employment of relief labourers clear
