No. 40714. | Revenue Department

Proceedings of the Board of Revenue
Dated 3rd September 1917.
Read the following:-

No. 325.

From The Collector of Coimbatore
To The Secretary to the Board
of Revenue Madras.

Sir,

I have the honor to
submit an estimate for a
further allotment of funds
to be spent on the Pollachi

Enclosures.
Returned to Collr. for Report 9/18-1-18
Estimate & Report 385.

Taluk.

2. Mr. Mackenzie whose
letter is annexed fully explains
the necessity.

3. Having also visited
many of the roads, I am of
opinion that the provision
of ~~the~~ more metal is required on
the roads branching from the
railway stations, viz. to

a very great increase of traffic and their upkeep is necessary for the proper transmission of grain - A large quantity of material also from Trimpoor to Palladam and in other directions, has already been placed upon by the excessive traffic

Combatore Collr's office - 27th Augt 1877.

I have &c.
A. R. Wedderburn
Collector

(Enclosure)

No 197 Combatore & Asst Collr's office Camp Trimpoor 18 August 1877.

From
The Asst & Asst Collr. of Combatore
To
The Collector of Combatore

Sir, I have the honor to acknowledge your Memorandum No 2633 of the 17th August.

Estimates

2. Estimates will be submitted as soon as possible but the precautionary work being urgently required some of the road work has been commenced.

3. The agricultural prospects in this Palladam taluq have so completely failed that we find large numbers of the ryots and laborers among us for work, and with out it they must sooner or later, come to the Relief houses - The works enumerated in the Memo. mentioned in para 1 will not suffice for long - I have therefore the honor to solicit your attention to our collecting a further quantity

quantity of metal beside the
principal roads according
to the appended list.
4. Collecting and break-
ing metal in the workhouse
yard we can devise
as it employs so many
women.
