To the Collector of
Bellary

Sir

In submitting the report called for in your
footnote on Proc. of the Board
of Revenue No 615 of 13th Feb. 77
I have the honor to point
out that there is, as applied
to our operations, a contradic-
tion in the Board's order. It
is said that sanction by

5469

Collector for sums to be
expended on gratuitous
relief from lump grants
need not be reported. In the
next sentence it is said
that cost of grain must
be reported. Now gratuitous
relief is given from Lump
grants, & is always (except
to the children of mourning
coolies) afforded in grain.
I have therefore omitted
to call for reports of the
cost of grain for embodiment
in this report.

I have

need not be specially reported
They should be included in
the monthly bills submitted
to the Board - It is only when
grain is purchased for pur-
poses other than gratuitous
relief that a report should
be made -
