Famine Relief.

No. 149-A. Read the following Proceedings of the Board of Revenue, dated 25th January 1877, No. 294:—

Read the following letter from R. K. PUKLE, Esq., Director of Revenue Settlement, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Madras, 18th January 1877, No. 149-4:—

In continuation of my letter (No. 32-3) of yesterday, I have the honor to enclose an original communication received from the Collector of Salem, and request that sanction may be accorded for relief funds being placed at the disposal of the officer in charge of the Survey party in Salem for the payment of labor.

ENCLOSURE No. 1.

From Lieutenant-Colonel J. G. CLOETE, Deputy Superintendent, No. 1 Revenue Survey, to C. T. LONGLEY, Esq., Collector of Salem, dated Coimbatore, 8th January 1877, No. 15-13.

I HAVE the honor to inform you that, owing to the prevailing scarcity, we experience in some cases considerable difficulty in obtaining gratuitously from land-holders the labor they are required by the Boundary Act to provide for the clearance of their boundaries and the demarcation and survey of their properties.

2. I would suggest in such cases that labor be paid for, the money being provided from Famine Relief Funds; Government would gain aid in this necessary work, as constant delays to survey would thereby be avoided.

3. I understand that a similar course has been adopted in Bellary District.

4. Should you agree with me as to the advisability of this course, I should feel obliged by your giving instructions for payment of such disbursements by me.

APPROVED.

2. The wages to be paid should be allowed on relief-works.

H. E. STOKES,
Acting Secretary.

No. 149-B. ORDER THEREON, 6th February 1877, No. 538-A.

Miscellaneous.

The Government decline to sanction the payment from Famine Relief Funds of the cost of the labor necessary for clearing the boundaries of properties and demarcating them.
