GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

30th August 1877, No. 266 I.

Irrigation.

Read the following paper:—

No. 133 I.

No. 106. *Note by the Chief Engineer for Irrigation.*

THE lists of Agricultural works carried out wholly or partly from Famine Relief Funds in the Salem, Coimbatore, Madura and Tinnevelly Districts are herewith submitted to Government in continuation of those forwarded with note, * No. 80 I, dated 2nd July 1877.

* Printed with G.O. No. 152 I of 10th July 1877.

2. Lists have also been received from Kistna, Nellore, Cuddapah and Chingleput, but have been returned to those districts on account of incompleteness or inaccuracies which made it useless to submit them to Government. From Kurnool a list was received in June, which the District Engineer himself stated to require considerable revision and extension and promised to replace by an amended list, which, however, has not yet been received.

3. In the Tinnevelly list now submitted the value of work done from Famine Relief Funds is in many cases shown as greater than the expenditure. This requires explanation by the District Engineer; it probably arises from the amounts having reference to two different dates instead of to the 31st March only. In the Coimbatore list the value of work done has in many cases not been furnished, and in explanation of this the District Engineer reports that, as the strength of the department is not sufficient to enable frequent measurements being made of the famine works carried out under the Revenue authorities, it is "the practice to measure up works only when they are reported complete by the Famine authorities, and that system will not admit of normal rates being applied to *measurements** for works not completed by the 31st March."

* Sic.

4. The list from the Madura District is for the Dindigul Range only, the District Engineer promises that the list for the Madura Range shall be sent in shortly.

FORT ST. GEORGE,
7th August 1877.

(Signed) G. T. WALCH,
Ag. Dy. Chief Engr. for Irrigation,
for Chief Engr. for Irrigation.

To the Joint Secretary to Government, P.W.D., Irrigation Branch.
