GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

4th September 1877, No. 692 W.

General.
Establishment.

Read the following paper:—

No. 32. From Major H. R. MEAD, R.E., District Engineer, South Arcot, to the Chief Engineer, Public Works Department, dated Cuddalore, 31st August 1877, No. 114.

With reference to the appointment of Mr. A. Clerke, Assistant Engineer, to this district for employment on Famine Relief-work, I have the honor to request that I may be allowed to entertain the following establishment to be employed under him:—

	Rs.
One Writer	22
Two Lascars at	7

The above is that sanctioned under G.O. No. 159-A, dated 19th January 1875, for young officers joining the department from Cooper's Hill.

2. I propose to employ Mr. Clerke in the inspection and check of famine works generally in the district, but chiefly in No. 1 Range. I regret that, as he is senior to Mr. Bird, the Assistant Engineer in charge, I cannot place him under his orders, but must (as I have also to do with Mr. Evans) employ him specially on separate duties.

3. A good Supervisor as Sub-officer to assist Mr. Bird would have been, I consider, much more advantageous to the district.

No. 33. Order thereon, 4th September 1877, No. 692 W.

District Engineers are authorized to entertain temporary extra establishments, where necessary, for the officers recently sent from the Northern Provinces for employment on Famine Relief-works in Madras. The scale will be that prescribed in G.O. No. 159-A, dated 19th January 1875, viz.:—

	Rs.
One Writer on	22
Two Lascars at Rupees 7	14
Total ...	36
