2. Mr E.J. Sewell who was appointed to this District in the beginning of June, had

had been placed in charge of the Raidrug Taluq and was doing good work there. Mr. Lowewer, his services have been transferred to Cuddapah, I have placed the Taluq again in Mr Firth's charge. The latter, however, has quite enough as he can manage in Kudligi.

3. The services of Mr Coombes are still being utilized by Major Popp for Railway work and Mr A.S. Finds has also been placed under Major Popp's orders by the Government.

4. The Taluq of Adoni is as the Board are aware an exceptional one. The staff of officers is therefore large.

5. Mr Howe B.C.S. who has lately returned from

from sick leave, I have deputed for the present to visit the Taluq of Dharmaveram to enquire into certain accusations of Maladministration on the part of the Shaikdar in famine matters. When this is finished, I intend to depute him, as I originally wished, on inspection duty as, single handed, I cannot get over the District quickly enough.

6. The Services of Mr. N. G. Sharp B.C.S. are under the orders of Government being utilized at Head Quarters.

7. A. Muragadum Moodelier Deputy Collector is engaged in preparing the accounts of Compensation required for the lands taken up for the Bellary Kurnool Railway.

8. A Narain Rao, Deputy Collector was posted

Magistrate to assist Mr Rose in the trial of Criminal Cases and is there still.

9. Mr Macartney, Agent to the Rajah of Sundoor has been, and is still, most efficient & superintending relief operations in Sundoor to which place many persons from other Taluqs at first resorted.

Even now there are numbers of strangers in his relief Camp, the arrangements in which are deserving of all praise.

I have &c
