Pay and Allowances.

Read again—

Notification of the Government of India in the Financial Department, No. 846, dated 11th February 1876, in which it has been ruled that whenever on public grounds a Commissioned Military Officer holding a civil appointment on consolidated pay, which is less than his military pay, is allowed to draw the difference between them, he shall draw it from the Department from which he receives his consolidated pay.

RESOLUTION.—The Governor-General in Council is pleased to decide that whenever, under the orders now read again, the charge for the excess military pay of an officer thus retained in civil employ falls upon Provincial or Local Funds, the orders of the Local Government shall suffice for the admission of the charge by the Civil Account Department.

2. If the charge falls upon any grant which has not been surrendered to the Local Government, the sanction of the Government of India is necessary.

3. In either case, the Local Government should not, as a matter of course or without careful consideration, authorise the retention in civil employ of a Military Officer whose military pay exceeds the pay of his civil office.

4. These orders do not apply to a Commissioned Medical Officer whose Commission is dated before the 7th November 1864. Such an officer is absolutely entitled to pay equal to the grade pay of his rank even while holding a civil office.

ORDERED, that this Resolution be distributed for information and guidance as follows :—

To the several Departments of the Government of India (Legislative Department excepted);

To the several Local Governments and Administrations;

To the Comptroller-General and to the several Accountants-General and Deputy Accountants-General in independent charge;

To the several Chiefs of Departments administered by the Government of India in the Financial Department.
