*Proceedings of the Madras Government, Revenue Department,
6th February 1877.*

No. 164. Read the following Proceedings of the Board of Revenue, dated 22nd January 1877, No. 247 :—

Read the following letter from R. W. BARLOW, Esq., Collector of the Chingleput District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Sydapet, 18th January 1877, No. 45 :—

I HAVE the honor to request, now that so many important works are going on simultaneously in this district under the Revenue Department, that the Board will be so good to obtain the services of two Public Works subordinates, either of the grade of 3rd-class Supervisor or 1st-class Overseer, one for the principal and one for the sub-division, to work directly under my orders.

2. At present the subordinates of the Public Works Department are deputed from time to time and are marking out lines, indicating levels, and assisting me with advice; but references cause delay, and one or two roads cannot now be commenced owing to their course, &c., not having yet been indicated. I find, too, that I want some skilled agency to be always near at hand as difficulties arise during progress of works.

3. I have applied to the Superintending Engineer to depute to me at least some Local Fund Overseers, but he is unable to do so for the reasons stated in the enclosed copies of correspondence, and hence this application.

ENCLOSURE No. 1.

From R. W. BARLOW, Esq., Collector of the Chingleput District, to Colonel F. J. MOBERLY, R.E., Superintending Engineer, Chingleput, dated Sydapet, 19th December 1876, No. 633.

I HAVE the honor to request that you will forward me a list of any subordinates of the Department of Public Works or Local Fund Staff whom you can spare to supervise relief works and assist the various officers in charge.

2. With reference to my Nos. 616 and 619, dated respectively the 14th and 15th instant, I trust that subordinates have been already deputed to Deputy Collectors Jones and Dorasawmy Moodelliar.

(True Copy.)

(Signed) R. W. BARLOW,
Collector.

ENCLOSURE No. 2.

From Colonel F. J. MOBERLY, R.E., Superintending Engineer, Chingleput, to R. W. BARLOW, Esq., Collector of the Chingleput District, dated Mamaly, 20th December 1876, No. 3,276.

IN reply to your No. 633 undated, I have the honor to inform you that I cannot spare any member of the department, but on the contrary should be glad to have more men myself.

2. I have commenced work on the Naranaveram river and the Cortilliar, and ordered the execution of repairs to all irrigation works for which estimates were sanctioned but which were stopped for want of funds, and am obliged to authorize the entertainment of additional maistrics.

3. I requested the Mount Range Officer to send somebody to assist Deputy Collector Jones, and hope that my No. 3,265, of 18th instant, will relieve me of the necessity for sending anybody to Deputy Collector Dorasawmy Moodelliar.

In reply to your No. 3,276, of the 20th instant, I have the honor to request that you will inform me whether your inability to spare any subordinates extends to Local Fund Overseers.

3. I am aware that there are heavy calls on you on account of Irrigation, &c., work about to be undertaken, but having in view the large number of roads just sanctioned as famine relief works, and considering that very little ordinary road work is going on, I think that some of these officers might be deputed.
