Famine Relief.

No. 171-A. Read the following Proceedings of the Board of Revenue, dated 17th January 1877, No. 186 :—

Read the following letter from Lieutenant-Colonel J. G. CLOETE, Deputy Superintendent, No. 1 Revenue Survey, to A. WEDDERBURN, Esq., Collector of Coimbatore, dated 8th January 1877, No. 16-14 :—

I HAVE the honor to inform you that, owing to the prevailing scarcity, we experience, in some cases, considerable difficulty in obtaining gratuitously from landholders the labor they are required by the Boundary Act to provide for the clearance of their boundaries and the demarcation and survey of their properties.

2. I would suggest in such cases that labor be paid for, the money being provided from famine relief funds. Government would gain by aid in this necessary work, as constant delays to survey would thereby be avoided.

3. I understand that a similar course has been adopted in Bellary and in Salem at the Sub-Collector's suggestion, the cost of clearing some of the boundaries is being debited to famine relief funds.

4. Should you agree with me as to the advisability of this course, I should feel obliged by your giving instructions for payment of such bills signed by me.

5. As only a few Surveyors are now employed in this district, the whole amount required will be small, probably not exceeding 1,000 Rupees, in the next six months.
