No. 175-C. Read the following Proceedings of the Board of Revenue, dated 31st January 1877, No. 372:—

Read the following letter from R. W. BARLOW, Esq., Collector of the Chingleput District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Sydapet, 25th January 1877, No. 71.

I HAVE of late received numerous applications from Shrotriendars and Mittahdars in this district, requesting in some cases a few months' time only, and in others two and three years, to pay the arrears of quit-rent and peishcush due by them. A few also request remission of peishcush and quit-rent on the ground that the season has been exceptionally adverse and their losses heavy.

2. I am not, of course, inclined to recommend absolute remission to proprietors of this class, but consider that the very exceptional nature of the season would justify—as a measure of good policy—time being granted; for many simply *cannot* pay, so the only alternative would be to sell them up. I request instructions as to whether I may use my own discretion, and give time when I deem it really necessary.

THE Collector is authorized to use his discretion in the matter.
