Revenue, Madras

Sir,

I have the honor to enclose an estimate with the District Engineer's Countersignature amounting to Rs 7860 for the repair of the Koudeen Channel of Shakkholum a Village in the Wallajah

Wallajah Taluq and to request that you will be good enough to obtain the Board's early sanction for the execution of the work.

2. Thakkolum is an important village and the Kondum channel in question forms the feeder of its large tank. The repair of the channel will greatly improve the cultivation under the tank and provide labour for the necessitous poor in that part of the Taluq.
