The object of the statement
called for in Bd's Proceedings
dated 6th July 1877 No. 3157, is
to ascertain whether such of the
grain

rather to be Repayments to Revenue, or
for the payment of relief coolies
has been duly accounted for,
as the bills for relief work
show only cash payments and
not payments in grain - such
of the purchases therefore as
have been made in the Districts
entirely for Relief camps and
village relief, and which are
accounted for by entries in
the bills relating to transactions
connected therewith need not
be shown in the Statement.
But

purchased for relief coolies, or
for Government Revenue, as may
have been utilized for relief
camps and Village relief, should
be included in the Statement,
it being desired distinguished
in the enclosure to the Statement.
