Sir

With reference to the Proceedings of the Board, Miscellaneous No 10799, dated the 3d Ultimo and No 11979, dated the 30th Ultimo, I have the honor to enclose Copies of two telegrams received from Govt on the subject of the tents for Mr Kasch and of my replies thereto.

The tents have not been supplied yet

2 I beg to point out that when Mr Kasch came first, he was put in

in charge of my office at Head Quarters, and therefore do not require tents.

3 But when Mr Howse went on sick leave, in the beginning of June, he gave over his tents to Mr Risch.* One has been utilized for the Assistant Surgeon now in medical Charge of the large Relief Camp here and the other Mr Howse on his return from leave, took possession of again.

* Erroneously mentioned in the Telegram as made over to Mr Oldham

4 Mr Howe now asks for a second tent; and I have been obliged to supply him with one of my own for the time being.

5 I have the honor to request that the Government will be pleased to pass early orders as regards those required by Mr Risch as he wants to
