mine Relief.

No. 222. Read the following Proceedings of the Board of Revenue, dated 3rd February 1877, No. 445:—

Read the following letter from C. T. LONGLEY, Esq., Collector of Salem, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 27th January 1877, No. 395-54:—

In reference to paragraph 5 of Board's Proceedings, No. 42-A, dated 5th instant, I have the honor to report that the increase of nearly 60,000 Rupees in the appropriation or cost of works sanctioned was due to a great many works not shown in previous returns having been in hand in the week ending with 30th December. The lists of works sanctioned to the sub-division were revised by the Sub-Collector, and a large number of new works, with certain specific allotments, were ordered to be commenced during the week in question, and these allotments were brought on the Statement No. II. as will be seen by a comparison of this statement with that for the week ending the 23rd December. With my letter, No. 328-42, dated the 21st instant, I have submitted lists of works in hand and proposed, and applied for a further grant of Rupees 1,00,000 in addition to the Rupees 90,000 already sanctioned for Relief Works.

RECORDED.

2. The Collector will be careful in the future that no works are undertaken without prior and competent sanction of the work and the estimate as provided in the rules.
