Proceedings of the Madras Government, Revenue Department,
9th February 1877.

No. 232B. Read the following Proceedings of the Board of Revenue, dated 5th February 187 , No. 487 :—

Read the following letter from R. W. BARLOW, Esq., Collector of the Chingleput District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Sydapet, 31st January 1877, No. 79 :—

In forwarding the enclosed copy of letter, dated the 27th instant, No. 59, from the Acting Sub-Collector, I have the honor to request that the Board will be good enough to sanction the execution of the earthwork, including tamping and turfing, to the road from Conjeveram to Magaral, as a relief work in the Conjeveram taluq.

2. This road is a portion of that between Conjeveram to Acherwaukum, for which an allotment of Rupees 10,000 was entered in the current year's Budget; but this sum, less the amount sanctioned for the survey of the road, was transferred to provide funds for certain incomplete works, &c.—*vide* Board's Proceedings, dated 18th September 1876—and the eight miles of the road now proposed are estimated to cost Rupees 5,334.

3. Relief works being very urgently required at once in the locality, I have authorized the Sub-Collector to commence the road in anticipation of sanction.

—

Enclosure No. 1.

From S. T. McCARTHY, Esq., Acting Sub-Collector, to R. W. BARLOW, Esq., Collector of Chingleput, dated 27th January 1877, No. 59.

In reply to your letter, No. 189, of the 24th instant, I beg to state that the length of the road between the Cheyar (Magaral) and Conjeveram is eight miles. The estimate for the earthwork is as follows :—

				Rs.
24th mile (Cheyar)	..	...	...	964
25th north of above	..	..	..	471
26th „ „	..	...	...	2,217
27th „ „	...	...	...	320
28th „ „	...	...	...	224
29th „ „	...	...	...	387
30th „ „	...	...	...	221
31st „ „	...	...	...	337
32nd „ „		...	...	193
		Total ...		5,334
Average		mile, Rupees		666¾

2. This road will be a very useful one, a portion of that between Acherwaukum and Conjeveram, for which an allotment was entered in the current year's Local Fund Budget. The miles above referred to are counted from Acherwaukum. The road will pass through many important villages, Magaral amongst the number.

3. I gave the above information in a demi-official, written about the 14th or 15th instant, and I regret that I did not also write to you officially on the subject. In a previous demi-official letter I observed that the average cost per mile would be about Rupees 500, and this was on information given me some time ago by the Taluq Overseer. As will now be seen this rough estimate is much too low, and this is owing mainly to the large expenditure which will be

necessary on the 26th mile. If, however, this mile be left out of the calculation, the estimate of Rupees 350 a-mile would not be far wide of the mark.

4. I intend in a day or two applying for sanction for carrying on also the portion of this road between Magaral and Utramallore.
