GOVERNMENT OF MADRAS.
FINANCIAL DEPARTMENT.

14th September 1877, No. 2306.

Municipal—Bungalows.

Read the following papers:—

No. 98. *Proceedings of the Board of Revenue, dated 12th June 1877, No. 8484 (Miscellaneous).*

Read the following letter from G. McWATTERS, Esq., Vice-President, to the President of the Municipal Commission, Caroor, dated Caroor, 14th May 1877:—

I have the honor to enclose a letter, dated the 10th May 1877, from the Rev. Henry Little, in which he states that the Wesleyan Mission are willing to give Rupees 2,500 for the travellers' bungalow at Caroor.

2. The bungalow Mr. Little refers to was transferred some time ago to the management of the Municipality, and since the Railway has been opened to Dindigul and Madura it has seldom or never been used by travellers.

3. As a travellers' bungalow, therefore, it is no longer required, especially as there is a second or District Officer's Bungalow still available.

4. I thought at one time of having it converted into a Municipal Office or a Municipal School, but I found it unsuitable for either purpose.

5. I beg accordingly to recommend that Government be asked to accord their sanction to the sale of the bungalow to the Wesleyan Mission for Rupees 2,500, the amount at which the Range Officer has valued it.

6. Should Government be pleased to hand this sum over to the Municipality to build an office and a schoolhouse with, it would be a great boon. The Municipality is exceedingly straightened this year, as the tolls have realized 800 Rupees less than was anticipated. The opening of the Railway to Madura has eventually had the effect on tolls that I predicted two years ago.

7. Whether the Municipality are to have the proceeds of the sale or not, I strongly recommend the acceptance of the offer of the Mission. The bungalow as it is, is only a burden to the Municipality.

ENCLOSURE No. 1.

From the Rev. H. LITTLE, to the Vice-President of the Municipal Commission, Caroor, dated Caroor, 10th May 1877.

With reference to your letter, No. 110, dated the 1st February 1877, in which you express the willingness of the Municipal Commissioners to sell the travellers' bungalow in this town, if the Government will consent, I have the honor to offer you, on behalf of the Wesleyan Mission, the sum of Rupees 2,500 for the bungalow, out-offices and plot of land on which they stand, this being the value put upon the premises, as you informed me in my interview with you in the month of March.

No. 76.

2. The President concurs in recommending the sale of the bungalow.

The distance is about three-quarters of a mile along the shortest route indicated. The extent of the bungalow compound is Acres 1.36.
