PROCEEDINGS OF THE BOARD OF REVENUE, dated 10th September 1877.

Read the following letter from Surgeon-Major G. BIDIE, M.B., Secretary to the Surgeon-General, Indian Medical Department, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Fort St. George, 5th September 1877, No. 5,596 :—

WITH reference to the Board's endorsements, No. 1,200, of 1st September 1877, and No. 12,101, of same date, giving cover to certain indents for medicines required for relief camps, I have the honor, by desire of the Surgeon-General, to solicit the Board's opinion as to whether it is necessary to submit indents for relief camps for their sanction, inasmuch as such documents do not appear to come within the scope of G.O., Financial Department, No. 518, of 17th April 1872, and similar subsequent rulings. If the Board have no objection the transmission of these indents direct by indenting officers would save both time and correspondence.

THE Board concur with the Surgeon-General and consider that indents for medicines required for relief camps may with advantage be forwarded to him direct. All Collectors will be instructed to adopt that course.
