Sir

In submitting herewith an Estimate of Rs 4800 and a Plan prepared by the Village Ranger Officer Mr. R.C. Hamilton for the repair of a private Supply Channel to the Soukaramtoli

Tank

bank in the Wallagala Valley.

I have the honor to request that you will be good enough to obtain the early sanction of the Board of Revenue for the same.

2. This channel was constructed some years ago, but got silted up by the flood of 1874. The importance of the work is explained by Lieut. Hamilton at the foot of the enclosure attached to the Estimate, and it will provide excellent labour for the distressed able bodied Villagers near their homes.
