GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

19th September 1877, No. 1240.

Raja of Kalastri.

Read the following paper:—

No. 57. *From W. S. WHITESIDE, Esq., Collector of North Arcot, to the Chief Secretary to Government, dated Palmanair, 13th September* 1877, *No.* 138.

The Raja of Kalastri intimates to me that his third son, Raja Chennappah Naidu, Bahadoor Garu, is to be married to the daughter of Bekendra Chama Bandee, Zemindar in the Kistna District, and that his son, the bridegroom, intends leaving Kalastri on the 20th instant, accompanied by the Raja's first and second sons, and requests that the Collectors of the districts of Nellore, Kistna and Godavery, through which his sons will pass, may be addressed to show them the usual marks of respect and to have in readiness the necessary supplies at the usual halting places. I have the honor to request that the Government will be pleased to issue necessary orders to the Collectors of the above-named districts on the subject.

2. The Raja states that he will address the Collectors of those districts direct as regards the quantity and description of the supplies required, and the dates on which they should be in readiness.

3. As the Raja requests that the order of Government in the matter may be communicated to him before the 20th instant, I request that the Government will be pleased to pass early orders.

No. 58. ORDER THEREON, 19th September 1877, No. 1240.

The Collector will inform the Raja of Kalastri that, in the absence of any precedent in favor of the *sons* of Zemindars, the Government are unable to comply with his request.

2. In any case, the Government must leave travellers of all ranks to provide their own supplies, in the present state of the districts.
