REFERRING to Board's Proceedings, No. 34, dated 5th instant, I have the honor to state that the delay in collecting the cess is due to the disastrous season of the current fasli and the suspension of the collection of revenue by coercive process in consequence. The season of the past

suffered most with the exception of the village under the Red Hill tank. These circumstances, combined with the introduction of the new settlement and the Village Cess Act in the sixty-nine villages referred to in my No. 662, recorded in the Board's Proceedings, necessarily entailed much additional labor on my office, and the Jamabundy could not be completed till after the close of the fasli. The cess was duly entered in the putta of Fasli 1285, and the new establishment has been entertained from different dates after the close of that fasli, on the understanding that the cess entered in the puttass of Fasli 1285 when collected should be distributed amongst the old staff of servants, and that the new establishment should be paid at the new rate from Fasli 1286.

SUBMITTED to Government, with the Board's request that the Collector may be authorized to pay the salaries of the villageservants on the revised scale out of General Funds at his disposal, the advance being recouped from Village Service Fund when the cess for Fasli 1286 is collected.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 5th January 1877.

Read the following letter from R. W. BARLOW, Esq., Collector of Chingleput, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue dated Sydapet, 27th November 1876, No. 662:—

REFERRING to the introduction of the Village Cess Act (IV of 1864) and the revision of village establishment according to the scheme proposed by the Director of Revenue Settlement and approved of by Government, and already carried out in sixty-nine villages of the northern part of the Sydapet Taluq, I have the honor to request the instructions of the Board as to how, and from what source, and in what instalments the establishment is to be paid pending the collection of the cess from the Puttadars? and would suggest that the pay of the servants be disbursed quarterly at the Taluq Treasury, and under the immediate supervision of the Tahsildar himself, or of the Sheristadar.

THE Board observe that the cess was leviable from Fasli 1285 according to the notification in the Gazette. It is therefore not apparent why funds have not yet been collected. The Collector is requested to state whether the cess was entered in the puttis of Fasli 1285, and from what date the revised establishments have been ascertained.
