Dated 19th September 1870.

Read the following:—

No. 550.

From The Acting Collector of Cuddalore

To The Acting Secretary to the Board of Revenue

Madras.

Sir,

I have the honor to submit with the request that they may be sanctioned two estimates for the large Monies which the Board will remember, were dug by Mr. Gribble at Royachotty and which are still unfinished.

2. These have been prepared by Mr. Beeby Overseer P. W. who is in charge of the Valley.

3. As it amounts to Rs. 9386. Rs. 5386-2-0 have been spent upon the work to date and some money is still due to Vadderes who

who were employed in excavating it. The amount is not stated. Mr Beeby's letter of explanation is attached to the estimate.

4. No. II amounts to Rs 5610 Rupees 3660-1-9 have already been spent upon the work to date. Mr Beeby's explanatory letter is attached to the estimate.

5. These Honeras had both been begun before I joined the District. I never approved of either of them, but as a good deal had been spent upon and the work had been advanced, there was nothing to be done but allow them to go on.

6. The present acting third member of the Board Mr Puckle approved of the digging of the new spillway of the two which has been

punk about entirely on pack.
