Sir,

I have the honor to solicit the favor of your attention to my former Communication regarding an increase of Famine pay & trust you will excuse my troubling you again upon the same subject. It is now about 3 Months since I sent in my application & as I have heard nothing at all about it having been received I am anxious to find out whether it was duly received by you and have therefore taken the liberty of again addressing you -

In the event of it having miscarried in the post or having otherwise failed to reach you - I would beg permission to recapitulate its contents for the favorable consideration of His Grace the Governor

I would beg to solicit an increase to my present Famine Salary which is only 200-pe Rupees & 30 Horse allowance and which has been quite inadequate to cover the many heavy expenses which I have necessarily incurred since my arrival in the Famine District and

I

I should be most grateful for an increase-ment thereto as His Grace may be pleased to sanction.

I have now been 5½ hours on special Flaming duty and can affirm from experience how heavily my expenses have borne upon me. And it is partly in consequence of this incessant strain upon my small salary that I am induced to make a second application for an addition to it.

Regarding my merits it is not for me to speak but I feel confident that the Acting Collector of Khanook District & Mr H. J. Clogston the Officer in charge of No 1 Section (to which I belong) will both testify to my having at any rate worked hard & conscientiously ever since I have been in the District.

Hoping that His Grace the Governor may be induced to look favorably upon this application & to grant my request with Retrospective effect from the date of my taking up my duties as a Flaming Officer or from the date of my former application.

I have the honor &c
Sir
Your most obedient Servant
