Dated 9th August 1877

From,

The Sub Collector of Bellary
To,
The Collector of Bellary.

Sir,

As I am about to introduce,
under your orders, the money hole
system of relief into my three Taluq,
and propose to make the Alor
Taluq selected gangs work; with
the Gooty gangs, under Lieut. Wilson
who has charge of the Sapper's tent
to him, it will not be necessary
to have more than one European
superior officer in Alor Taluq.
His duty will consist exclusively
of superintendence of village
relief. This will entail perpetua

travelling. In view of Mr. Maltby's
state of health I have the honor to say
that I should be glad if you would
allow me to dispense with the services
of that gentleman. In making this
request I desire it to be distinctly
understood that I was perfectly
satisfied with Mr. Maltby's
performance of his duty till
he was prostrated by an illness
from which he has only just
recovered. His Chamberlain is
fit at this moment for any
reasonable amount of service.
I may add that it would be
a hardship to Mr. Maltby to compel
him to continue on Famine duty
as he would actually lose by
it. And his case is already a

very hard one, as I have pointed
out in a former communication.

I have the honor to
(Sd) W. H. Gleason
Sub Collector.
